LED Type	SMD5050 5in1
-----------------	--------------

LED QTY	60LEDs/M
----------------	----------

Voltage	24VDC
----------------	-------

Power	18W/M
--------------	-------

Colour Temp	RGB+2400K → 6500K
--------------------	-------------------

Brightness	960lm/M (CRI 90 @ 4000K)
-------------------	--------------------------

Cut Length	100mm
-------------------	-------

Beam Angle	120°
-------------------	------

IP Rating	IP20
------------------	------

Dimming	PWM (RF, Bluetooth, 0/1-10V, Triac, DALI, DMX, WIFI*.) *Dependant third-party driver.
----------------	---

Dimensions	5000 x 12 x 2mm
-------------------	-----------------
