LED Type	SMD2835
-----------------	---------

LED QTY	208 LEDs/M
----------------	------------

Voltage	48VDC
----------------	-------

Power	4.8W/M
--------------	--------

Colour Temp	2700K → 6500K
--------------------	---------------

Brightness	230lm/M (CRI 90 @ 4000K)
-------------------	--------------------------

Cut Length	125mm
-------------------	-------

Beam Angle	120°
-------------------	------

IP Rating	IP20/IP67
------------------	-----------

Dimming	PWM (RF, Bluetooth, 0/1-10V, Triac, DALI, DMX, WIFI*.) *Dependant third-party driver.
----------------	---

Dimensions	40000 x 12 x 1mm
-------------------	------------------
